Telephone number 0207-954- 9300. We will investigate your complaint in accordance with our complaints procedures, a copy of which is available on request. If you are dissatisfied with our determination of your complaint you may, in accordance with the rules of the Financial Services Authority, be able to refer the matter to the Financial Ombudsman Service. Referral of complaints to the Financial Ombudsman Service does not prejudice your right to take legal action.

In the unlikely event that CNA is unable or likely to be unable to meet its liabilities to you in the event of a claim; you may be entitled to receive compensation from the Financial Services Compensation Scheme ("FSCS"). In these circumstances, you will be contacted by the liquidator or FSCS to explain what is happening to your policy or claim. FSCS may arrange to transfer your policy to another insurer, provide a new policy or, if these actions are not possible, provide compensation. The maximum level of compensation you can receive from FSCS for a claim against CNA is the first £2,000 of a claim in full. Above this threshold, 90% of the rest of the claim or value of unused premiums will be met. You can obtain further information regarding FSCS by visiting its website <http://www.fscs.org.uk/>.
